Candidates' manifesto booklet entry - submission guidelines

The States of Guernsey is again facilitating the production of a printed publication that brings together the manifestos of all candidates standing in the 2025 General Election, should they wish to be included. A copy of this publication will be delivered to all homes where at least one person is registered on the Electoral Roll.

There is no charge to candidates for inclusion in the manifesto booklet, and candidates do not have to declare the benefit as part of their election expenses. Each candidate may opt to have either two or four A4 pages in the manifesto booklet. Pages must conform with the artwork specifications set out in this document (i.e. text, margins, format and photographs).

The period for submitting artwork is between **9am on Wednesday 7 May 2025 and 5pm on Wednesday 14 May 2025**. Artwork submitted beyond this period **will not be included** in the manifesto booklet. Candidates will receive email confirmation that their submission has been received and will be included in the manifesto booklet.

If any candidate's submission does not meet the required specifications set out in this document, they will be notified and asked to resubmit. Their resubmission must be received by **5pm on Wednesday 14 May**. As such, **candidates are strongly advised** to submit their entry for the manifesto booklet as soon as possible during the submission period. This will ensure there is an opportunity to address any issues with their submission.

Candidates wishing to have their manifesto included in the manifesto booklet will need to adhere to certain specifications in order to facilitate the process and to ensure their submissions are reproduced accurately.

Each candidate may choose to submit either two pages or four pages of A4. To assist the electorate, the top part of the first page of your manifesto should be set out as illustrated in *Example 1* (pictured in the following pages), and include:

- A profile photo
- Your name
- Contact details
- A brief summary of your manifesto, of approximately 100 words

Submissions must also adhere to the other criteria given in *Example 1* to ensure accurate reproduction of your manifesto in the manifesto booklet.

It is strongly recommended that candidates read the States of Guernsey [accessibility guidelines](#).
